Why i-mop?

- ▶ because if used everyday, you reduce the need of deep cleaning
- ▶ because you do not need a van to transport it
- ▶ because it is the best machine for any emergency
- ▶ because it has the best value of cleaning measurable with ATP test
- ▶ because it can be used for 1 m² as for 1.000 m²
- ▶ because it can be moved from one level to the other without an elevator
- ▶ because it can be used 24/7
- ▶ because it cleans the joints between tiles like no other scrubber
